

ANOTHER INNOVATION FROM BRASSELER USA...

# ET<sup>®</sup> COMPOSITE INTRA-ORAL POLISHING PASTE

For over 30 years, Brasseler USA's line of ET instruments and products have continued to revolutionize the world of composite restorations. Brasseler USA is now extending the line by introducing ET Composite Intra-Oral Polishing Paste. Available in 8-micron grit, this diamond impregnated polishing paste is packed in a convenient 2 gram syringe, which will help you quickly and easily achieve the highest level of surface smoothness and shine. Use as a final step after polishing with any of our wide range of composite polishers, including DiaComp<sup>®</sup> and ET<sup>®</sup> Illustra<sup>™</sup>, to achieve the best results.
