ComfortGRIP™ for better feel and protection

BRASSELER
USA

NLXK-S

360° swivel

Lightweight titanium with optimum weight distribution

The NLXK high speed air handpiece from Brasseler USA is designed for maximum durability and performance. The innovative turbine design provides up to 26 watts of power, resulting in smoother cutting efficiency while reducing procedure time. Precision manufacturing and enhanced bearing technology offer improved durability backed by an industry leading three-year warranty. Equipped with ComfortGRIP coating, lightweight titanium construction and a thin neck design for improved visibility, the NLXK delivers a Powerful Performance.
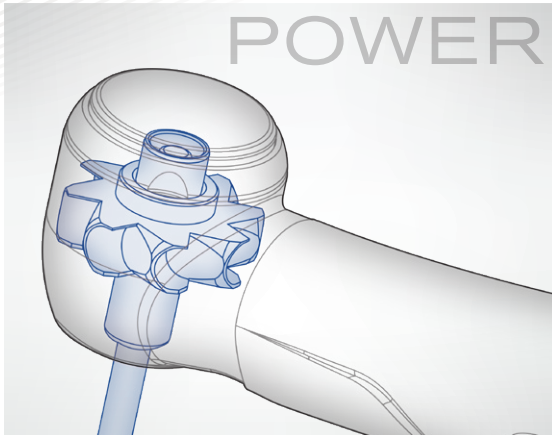

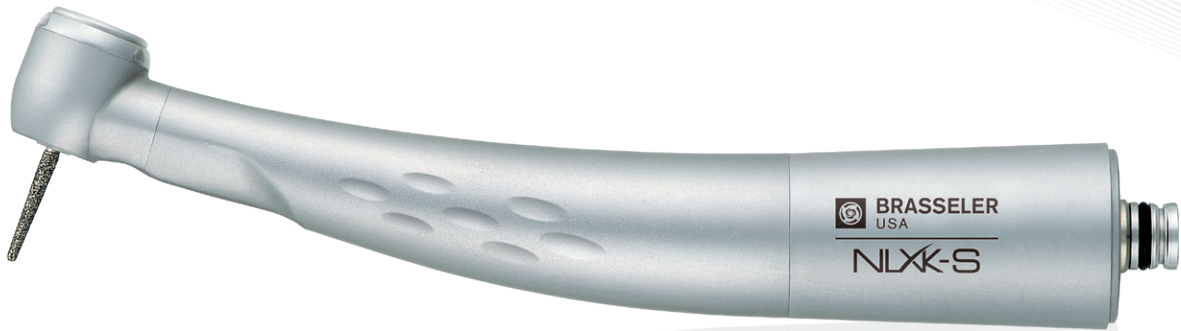

POWER

NLXK™

The innovative turbine design of the NLXK provides up to *26 watts of power*, resulting in smoother cutting efficiency while reducing procedure time. Whether you are cutting through obsolete crowns or refining margins, the end result is an enhanced user experience.

Precision manufacturing and enhanced bearing technology of the NLXK lead to *improved durability, longevity and stability*. Backed by an *industry-leading three-year warranty*, the durability of the NLXK reduces your repair costs and down time while increasing your office's efficiency.

DURABILITY

94°

ERGONOMIC

The *lightweight titanium construction* achieves optimum weight distribution while reducing hand and wrist fatigue during treatments. The *ComfortGRIP™* provides an ideal surface texture to improve grip while protecting against scratching and repeated autoclave sterilization cycles. Lastly, the *slim neck design* and *unique head angle* offer improved access and visibility.

NLXK-S - Standard Head Size
Item Number: 5026764U0
- For Brasseler Coupler
- 23 Watts of Power
- 3-Year Warranty

NLXK-T - Torque Head Size
Item Number: 5026765U0
- For Brasseler Coupler
- 26 Watts of Power
- 3-Year Warranty

NLXK-KS - Standard Head Size
Item Number: 5026766U0
- For KaVo® MULTIflex® Coupler
- 21 Watts of Power
- 3-Year Warranty

NLXK-KT - Torque Head Size
Item Number: 5026767U0
- For KaVo® MULTIflex® Coupler
- 24 Watts of Power
- 3-Year Warranty

Standard | Torque
12.1 mm | 13.1 mm
10.8 mm | 12.5 mm
8.3 mm | 8.3 mm
