Invoice or statement prices may reflect or be subjected to a bundled discount or rebate pursuant to purchase offer, promotion, or discount program. You must fully and accurately report to Medicare, Medicaid, Tricare and/or any other federal or State program, upon request by such program, the discounted price(s) or net price(s) for each invoiced item, after giving effect to any applicable discounts or rebates, which price(s) may differ from the extended prices set forth on your invoice. Accordingly, you should retain your invoice and all relevant information for your records. It is your responsibility to review any agreements or other documents, including offers or promotions, applicable to the invoiced products/prices to determine if your purchase(s) are subject to a bundled discount or rebate. Any such discounts must be calculated pursuant to the terms of the applicable purchase offer, promotion, or discount program. Participation in a promotional discount program is only permissible in accordance with discount program rules. By participation in such program, you agree that, to your knowledge, your practice complies with the discount program requirements.
